ences w the Dimocrisy uv the corners on this important matter, and akkordingly called one. I am ruther fond uv koldin meetins, for it not only helps to manetane my importance, but ginerally I manage to git Bascom interested to the pint uv askin us all to take suthin, wich is soothin to the bowels. Likker earned in that way is sweet, for it tastes jist ez good es tho yoo paid for it, and the gittin uv it is a triboot to your genius.

There wus a great diversity of opinyun on this pint, and evry man in the meetin hed a candidate uv his own. Deckin Pogram was quite yoonanimus in favur uv Voorhees, uv Injeany, for the first place on the tikkit, for various reasons. Fust, there wuzn't any doubt about his Dimocrisy. He wur durin the late onpleasantness a stanch friend uv the South, and is to-day jist ez yooseful to us ex tho he wuz actilly a Southern man. In our opposishun to seckshunalism, we insist upon hevin a man entirely Southern in feelin. The fact that Voorhees is a Northern man does not count agin him. We are opposed to seekshunalism, and are willin to vote for a Northern man, if we can depend upon his entire devoshun to the South. That is all we require.

Another man wantid Tilden, another Bayard, uv Delaware, and yit another Thurman, uv Ohio, while a great many wuz entirely willin to support Hancock, and even General McClellan hed some friends.

Finelly some one asked ef the Dimocri-

ers?
From every part uv the meetin house her ariz a murmur uv disapproval.
"We don't want no Tilden in ourn," sed eyral; "he is the too! uv the bloatid bond older!"

sevral; "he is the toot uv the bloatid bond holder!"

"No Tilden for me," sed another, "he is opposed to onlimited green-bax; and wants to pay off the nashnel debt."

"No Tilden!" shouted the entire meetin, yoonanimusly. "Anybody but Tilden."

Deekin Pogram moved that it was the sense of this meetin that Senator Voorhees uv Injeany was the proper man to bear the Dimecratic banner to victory, and I was about to put the moshnu when that onmittigated cuss, Joe Bigler, which is a torment, rose and said he had a remark to make before the question wuz put.

"Are you aware, Josef, that this is a Demekratik meetin?" I remarkt.

"Hevin inventoried the noses uv them in attendance, smelt ther breaths, and gazed on ther clozes, I am aware this is a Dimekratic convenshun."

"Are yoo a Dimekrati, Josef?"

"Then I 'spose we shel hev to heer wat yoo hev to say."
"Uv course yoo will. Yoo ginerally do hear what I hev to say. Wat I wanted to git at is this: The Corners will rooin itself by supportin Voorhees. How much does Parson Nasby owe the Corners?"

Why Will You

Allow a cold to advance in your system and thus encourage more serious maladies, such as Pneumonia, Hemorthages and Lung troubles when an immediate relief can be so readily attained? Bosches's German Syruth has gained the largest sale in the world for the cure of Coughs, Colds and the severest Lung Piseases. It is Dr. Boschee's famous German prescription, and is prepared with the greatest car, and no fear need be entertained in administering it to the youngest child, as per directions. The sale of this medicine is unprecedented Since first introduced there has been a constant increasing demand and without a single report of a failure to do its work in any case. Ask your Druggist as to the truth of these remarks. Large sizes 75 cents. Try it and be convinced.
